The String House

Rentals

The String House offers violins, violas, and cellos in all sizes. The advantage of renting from The String House is that the student is supplied with a perfectly adjusted instrument. This will help them to learn to play as opposed to struggling with a poor quality tool that may be available elsewhere. We specialize in violins, violas, and cellos exclusively, so you can be assured of a superior sounding instrument as well as the service you deserve. The rental includes the instrument, bow, case, rosin, name-tag, and insurance.

RENTAL CREDITS

You will accumulate Rental Credit which can be applied to the purchase of current rental instruments (or one like it) or an instrument from our Sales Department. Your Rental Credit will be 100% of the first year paid rental fee. 20% of each additional year paid will be added for max of 2 years.

SHIPPING OF RENTALS

Currently The String House can ship violins and violas to your address for an additional fee. Please call or email for rates.
